"HEALTHY HOME, HEALTHY
YOU, HEALTHY EARTH"

SATURDAY MORNINGS, 10 to NOON
February 18, 25 & March 3, 2012
Lightsmith, 559 Humboldt Avenue, Saint Paul

Through a REFLECTIVE ILLUMINATING QUESTIONNAIRE emailed to you, you take the time to clarify your heart's desires and connect with your deepest dreams for your optimum home.

Part of each class, BEAUTIFUL NECESSITY ALIGNMENT is a relaxing guided inner tour that aligns your soulful desires, the wise healer within you, your home and the earth. You connect with conscious energy within and around and realize what is enhancing and diminishing your dreams, your health and your life. Beautiful Necessity Alignment is designed for sustainable health. HEALTH COACHING then empowers you with the tools, tips and steps towards realizing your dreams.

FEB. 18: CLAIM & ALIGN WITH YOUR HEALTHIEST HOME (current or desired).
